

ROHAN GARG

SUMMARY

"As a third-year Electronics and Communication Engineering student, I have developed a strong foundation in the field, with a focus on both theoretical knowledge and practical skills. My coursework has equipped me with expertise in areas such as circuit design, digital electronics, signal processing, and communication systems. I am highly proficient in using industry-standard software and tools, and I have actively participated in hands-on projects and lab work, demonstrating my ability to apply theoretical concepts in real-world scenarios. With a passion for innovation and problem-solving
